The abstract should be a single paragraph which summarises the content of the article.

The main text of the article¹ should appear here.

Fig. 1 An example figure.

^a Chemical Research Laboratory, South Parks Road, Oxford, OX1 1NQ.

[†] Electronic Supplementary Information (ESI) available: [details of any supplementary information available should be included here]. See DOI: 00.0000/00000000.

The conclusions section should come at the end of article. For the reference section, the style file `rsc.bst` can be used to generate the correct reference style.[§]
